Alpha Ndiaye

Certified Odoo ERP Consultant · Project Manager · Digital Transformation

Dakar, Senegal · +221 77 405 19 07 · alphandiayepro@gmail.com · linkedin.com/in/alphandiaye · alphandiaye.online

PROFILE

Odoo 19 certified ERP consultant, Head of Support and project manager at Senedoo, an official Odoo partner. I help SMEs and groups implement, migrate and adopt Odoo, from requirements analysis to user training, across several African countries and remotely. Six years of experience, including five leading a digital agency I co-founded, bringing together ERP consulting and an entrepreneur's view of the business.

KEY SKILLS

Odoo ERP	Implementation, migration, configuration, data import, Studio, automations and server actions
Odoo modules	Accounting, Invoicing, Expenses, Sales, CRM, Subscriptions, Point of Sale, Website / eCommerce, Purchase, Inventory, Manufacturing, Project and Timesheets
Project management	Requirements analysis, planning, deadline tracking, steering committees, change management
Support and training	Incident management, user guidance and training, key account relationships
Digital	No-code / low-code, workflow automation, applied AI tools; visual identity, photography, video

PROFESSIONAL EXPERIENCE

Senedoo · official Odoo partner — Dakar · assignments across Africa and remote
Head of Support and Project Manager (permanent) — Apr 2025 – Present
Junior ERP Consultant — Jan 2025 – Apr 2025

- Led **10 Odoo rollout projects** and contributed to **17 more** as part of the team; trained around **40 users**.
- **GeoFleet-IN**: project manager for a full Odoo rollout delivered in **2 months**, from requirements analysis to training 17 users.
- **Oryx Energies**: on-site assignment in Côte d'Ivoire to structure the migration of two pilot service stations, then support lead for 4 stations (Côte d'Ivoire, Zambia).
- **Eric Favre**: Odoo support lead since February 2025 across all modules, for 26 users.
- **Globo Afrique**: took over a project from another partner; support lead during the migration (25+ users, 1 year) and member of the steering meetings.

Galsen Digital Agency (GDA) · digital agency — Dakar
Co-founder · Managing Director and Head of Multimedia — 2022 – 2025 (active since 2020)

- Founded and ran the agency: **~30 projects** delivered for public and private organisations across West Africa, team of **5**.
- General management, administration, client relations and creative direction.
- Work: logo and catalogue photography for Diamant Noir Collection; opening video for the Sama Chef school; communication campaign for KEA Olivero Group (filming, editing, graphic design).
